YOUTH MONTH

April

Saving is easier when you picture yourself in the future. If you see yourself achieving your goal, you will eventually succeed. The more often you imagine yourself with the things you most want in life, the more chances you have to remind yourself of saving your money to get those things.

This April, Community Focus Credit Union is helping our young savers think creatively about their saving goals with a coloring contest. Two random winners will be selected and win a \$25 gift card to Target.

Here are the details:

1. Download your coloring sheet at www.communityfocusfcu.org/contest
2. Use your imagination to create your unique art
3. Turn in the completed coloring sheet by 5 p.m. on April 13 at one of our branches
4. Must be 12 years or younger to participate in the coloring contest
5. Completed entries will be showcased at each branch.
