

E-Alerts

With E-Alerts from Community Focus FCU, you can stay updated on your account activity 24/7 including monitoring your balances, transactions and account activity. Once your alerts are set up, you will receive almost instantaneous notifications sent out to either your email or phone number. Monitoring your account through E-Alerts can help you not only avoid unnecessary fees but also detect unauthorized transactions on your account.

Explore all types of E-Alerts:

If you are forgetful...

Personal Alert

Create a message reminder to be sent on a specified date and time

If you are curious...

Balance Alert

Get notified about your daily balance in your account on a specified day and time

If you want to avoid fees...

Low Balance Alert
